

YOU'RE INVITED TO Push America's Journey of Hope Friendship Visit & Dinner

Sunday, June 6, 2010, 6:00 p.m. - 7:00 p.m.
At Gasworks Park, Seattle

Push America is a philanthropic organization associated with Pi Kappa Phi Fraternity and focuses on issues related to individuals with disabilities. They sponsor numerous events such as fundraisers, building accessible playgrounds, camps, etc., and several bicycle events. One of their largest cycling events is the Journey of Hope, an annual cross-country cycling event involving fraternity members from around the country who spread a message of acceptance and understanding for people with disabilities. As part of their trip, the team participates in friendship visits in which they meet individuals with disabilities to better understand disabilities and how those disabilities impact those individuals.

Push America and Pi Kappa Phi have been tremendously supportive of The Arc through friendship and financial gifts. One of The Arc's board trustees, Josh Brothers, an attorney with Dussault Law Group, participated in this journey while in college. He believes this experience led him to representing individuals with developmental disabilities and their families.

Let's join the cyclists at Gas Works Park for the Journey of Hope Friendship Visit and dinner. Dinner is complimentary. Everyone is welcome.

Come meet these inspiring cyclists. Let's give them a warm, Seattle welcome!

If you are planning to attend the Friendship Visit & Dinner or the Kick-Off Breakfast, Please RSVP to Patricia McNiff at 206-829-7001 or pmcniff@arcofkingcounty.org by Friday, May 14th

**Plus, Join the Journey of Hope
June 9th, 7:00 a.m. Kick-Off Breakfast**

The 2010 Journey of Hope TransAmerica team will depart for Skykomish and their first day of cycling on Wednesday, June 9 at 8:00 a.m. Following a Kick-Off breakfast at Gas Works Park in downtown Seattle, the team will be departing the city and beginning their summer. If you are interested in joining them for breakfast, please arrive at 7:00 a.m. to allow plenty of time to eat and take photos prior to the team's departure.
