

## **Do you want to make a difference in your community? Become a Board member at The Arc.**

The Arc of King County is currently recruiting Board members for open advisory Board positions.

The Arc of King County was founded in 1936. We are the oldest nonprofit organization serving children and adults with developmental disabilities and their families in the Greater Puget Sound area, and one of the oldest such organizations in the United States. Our mission is *“Advocating the right of children and adults with developmental disabilities to live, learn, work and play in the community – improving the quality of life for us all.”* The Arc works with individuals with all forms of developmental disabilities, including Down syndrome, cerebral palsy, autism, and intellectual disabilities. Our clients include children, adults, seniors, and their families from throughout the county.

We are looking for individuals who have at least 5 hours to commit each month and are willing to make a strong commitment to The Arc of King County. They must be willing to mine their skills, contacts and experience to build and forward the mission of the organization.

We are actively seeking to have a culturally diverse board with a variety of skills to share with the organization. We seek to include individuals with disabilities and family members. Prospective members with skills in PR and Development are being sought as a priority. We will also accept applications of those with passion for the mission and who may bring skills in Marketing, Legal, Education, Banking, Management and other important organizational skills.

If you are interested in applying, please contact Sylvia Fuerstenberg, Executive Director, at 206-829-7005 or by email [Sylvia@arcofkingcounty.org](mailto:Sylvia@arcofkingcounty.org).
